

Covered MUGA™

The Covered MUGA™ is an exceptional structure built to cover sporting and games areas. It combines expert design, the strongest raw materials and engineering at its best. Its wide span cover is available in either curved or pitched roof to ensure it compliments its surroundings to the fullest and the all year-round protection it offers means that students can get outside and undertake sporting activities whatever the weather. A Covered MUGA™ can be designed and engineered in any dimension.

- ✓ Solid steel framework
- ✓ Wide Span Cover
- ✓ Curved or pitched polycarbonate roof design
- ✓ Clever and contemporary aesthetics
- ✓ Engineered in any dimension
- ✓ Longest guarantees on the market

Appearance

Steelwork on the Covered MUGA™ canopy is finished in Galvanised or Dura-coat™ colour finish (dependant on size) to a standard range or to any RAL colour.

Services

A&S Landscape recommend early consultation to consider all aspects of the installation of our Covered MUGA™. We provide free quotations, technical information and drawing files (at design stage) to allow effortless incorporation into Architects' drawings. Our service to you includes: - comprehensive site surveys, CAD Drawings, and project management. Early technical involvement often improves design, aesthetics, and cost.

BESPOKE PRODUCTS

Our ability to extensively customise our products ensures that we can meet any specialist requirements that you may have. Our flexible modular system often allows this to be done very economically whilst retaining all of our superior performance characteristics.

Specification

TYPICAL APPLICATIONS

The Covered MUGA™ is ideal for –
Sporting Facilities | Leisure clubs | Schools | Colleges | Universities

MATERIALS

Structure – All steel
Roofing – Polycarbonate
Finish – Availability dependant on size

DIMENSIONS

The design is available for new areas, covering existing areas but also for other wide span applications. The Covered MUGA™ is ideal for larger MUGAs and manufactured to bespoke sizes without limitations. Differing sports pitch layouts dictate the options/possibilities of sizes and internal divisions. Please speak to our technical team for more information.
