

Motiva Linear

The Motiva Linear™ is our incredibly versatile and most economical shelter solution. Featuring a monopitch (asymmetric) straight roof (with one side higher than the other) it provides robust and long-lasting shelter all year-round. Its eye-catching and contemporary design means that it is one of our most popular canopies and can be used for a wide variety of applications including: - positioning against the building, outdoor seating areas and covered walkways.

- ✓ Solid steel framework
- ✓ Freestanding contemporary design
- ✓ Asymmetric straight polycarbonate roof design
- ✓ Framework finished in Dura-coat™ finish
- ✓ Wide range of sizes
- ✓ Longest guarantees on the market
- ✓ Bespoke designs on request to enclose the space

Appearance

Steelwork on the Motiva Linear™ canopy is finished in Dura-coat™ colour finish to any RAL colour. The aluminium gutters and downpipes are also finished to match. Our superior polycarbonate roof covering can either be clear or opal as standard or coloured at an extra cost.

- Side panels in polycarbonate or glass.
- Wide range of door options
- Post pads can be any colour, often contrasting with the structure.

Services

A & S Landscape recommend early consultation to consider all aspects of the installation of our Motiva Linear™. We provide free quotations, technical information and drawing files (at design stage) to allow effortless incorporation into Architects' drawings. Our service to you includes: - comprehensive site surveys, CAD Drawings, and project management. Early technical involvement often improves design, aesthetics, and cost.

BESPOKE PRODUCTS

Our ability to extensively customise our products ensures that we can meet any specialist requirements that you may have. Our flexible modular system often allows this to be done very economically whilst retaining all of our superior performance characteristics.
