

## Motiva Cantilever™

The Motiva Cantilever™ is a robust and efficient variant within our best-selling Motiva range. Most popular in our Mono design however there are also options to supply in our Duo, Linear or Wave. Back, front, or central uprights mean that our Motiva Cantilever is particularly beneficial for play areas, covered walkways and in areas where minimal uprights are required.

- ✓ Solid steel framework
- ✓ Framework finished in Dura-coat™ finish
- ✓ Polycarbonate roof
- ✓ Wide range of designs
- ✓ Minimal uprights
- ✓ Longest guarantees on the market

### Appearance

Steelwork on the Motiva Cantilever™ canopy is finished in Dura-coat™ colour finish to any RAL colour. The aluminium gutters and downpipes are also finished to match. Our superior polycarbonate roof covering can either be clear or opal as standard. Post pads can be any colour, often contrasting with the structure.

### Services

A & S Landscape recommend early consultation to consider all aspects of the installation of our Motiva Cantilever™. We provide free quotations, technical information and drawing files (at design stage) to allow effortless incorporation into Architects' drawings. Our service to you includes: - comprehensive site surveys, CAD Drawings, and project management. Early technical involvement often improves design, aesthetics, and cost.

#### BESPOKE PRODUCTS

Our ability to extensively customise our products ensures that we can meet any specialist requirements that you may have. Our flexible modular system often allows this to be done very economically whilst retaining all of our superior performance characteristics.
