

Cyclo Buggy™

The Cyclo Buggy™ is a simple yet highly effective solution to the buggy storage problem. The curved roof design is contemporary and sleek. The unbreakable roofing and sides combined with a solid steel framework ensure that it is a structure that is built to last and of a much higher specification than standard 'Buggy' stores.

- ✓ Curved roof design
- ✓ Unbreakable polycarbonate roofing
- ✓ Solid steel framework
- ✓ Choice of galvanised finish or Dura-coat™ finish
- ✓ Expertly designed to include cycle storage on request

Appearance

Steelwork is finished in galvanised only or Dura-coat™ colour finish to any RAL colour. The unbreakable polycarbonate roof is either opal as standard or clear by special request.

Services

A & S Landscape recommend early consultation to consider all aspects of the installation of our Cyclo Buggy™. We provide free quotations, technical information and drawing files (at design stage) to allow effortless incorporation into Architects' drawings. Our service to you includes: - comprehensive site surveys, CAD Drawings and project management. Early technical involvement often improves design, aesthetics, and cost.

BESPOKE PRODUCTS

Our ability to extensively customise our products ensures that we can meet any specialist requirements that you may have. Our flexible modular system often allows this to be done very economically whilst retaining all of our superior performance characteristics.
