

Bespoke Maxima[™] Canopy

Our Bespoke Maxima[™] Canopies are expertly designed and tailored to your unique requirements. We use the highest quality raw materials to custom make aesthetically pleasing and robust shelter solutions. Add character, dimension and colour to any outdoor space while reducing harmful UV rays and increasing the area's functionality.

- / Solid steel framework
- / Framework finished in Dura-coat[™] finish
- / Wide range of sizes
- / Extensive choice of colour options
- / Tailored to your outdoor space
- / Longest guarantees on the market
- Enhance the look and increase coverage with multiple modules

Appearance

Steelwork is galvanised only or finished in Dura-coat™ colour finish to any RAL colour. Shade cloth material is available in 15 colour options, PVC fabric available in 40 colours

FABRIC OPTIONS

Shade cloth – high-quality knitted shade cloth that utilises the latest technology to provide a strong and hard-wearing outdoor fabric for use in tension structures. Its robust and durable combination provides 90-98% UV protection in a range of 15 striking colour choices.

Services

A&S Landscape recommend early consultation to consider all aspects of the installation of our Bespoke Maxima[™] Canopies. We provide free quotations, technical information and drawing files (at design stage) to allow effortless incorporation into Architects' drawings. Our service to you includes: comprehensive site surveys, CAD Drawings, and project management. Early technical involvement often improves design, aesthetics, and cost.

Specification

TYPICAL APPLICATIONS

Our Bespoke Maxima™ Canopies are ideal for -

- Dining and recreational areas
- Plazas
- Playgrounds
- Pubs and restaurants
- Parks and public spaces
- Nurseries and playgroups

PVC Fabric - This high strength waterproof fabric, manufactured using the latest technology, offers an unrivalled lifespan and enhanced shelter from the elements. Available in 40 stunning colour choices.

Post pads can be any colour, often contrasting with the structure.

BESPOKE PRODUCTS

Our ability to extensively customise our products ensures that we can meet any specialist requirements that you may have. Our flexible modular system often allows this to be done very economically whilst retaining all of our superior performance characteristics.

Our design, manufacturing and installation capacity allows us to diverge from our regular product designs to accommodate specific preferences, a difficult site or the need for associated products and services. We can manufacture to any given dimension and are always ready to advise on design issues surrounding size options.
