Hercules Bench™

The Hercules Bench™ is quite possibly the strongest bench ever made. Rigorously engineered to ensure the same superior quality as our canopies, the Hercules Bench™ boasts a heavy-duty steel frame and ultra-thick slats meaning it literally can withstand anything that is thrown at it. Designed with busy Academies, Senior Schools and Public Spaces in mind, the Hercules Bench™ is an excellent investment that will surpass expectations year after year.

- ✓ Heavy Duty Steel Frame
- ✓ Framework finished in Dura-coat finish to any RAL colour
- ✓ Ultra-Thick Slats
- ✓ Wheelchair Friendly Variants
- ✓ Straightforward Assembly
- ✓ Low Whole Life Cost

Appearance

Steelwork on the Hercules Bench™ is finished in Dura-coat™ colour finish to any RAL colour. Timber is a natural treated timber colour (recycled plastic or steel slats are also available on request).

Services

A & S Landscape recommend early consultation to consider all aspects of the installation of our Hercules Bench™. We provide free quotations, technical information and drawing files (at design stage) to allow effortless incorporation into Architects' drawings. Our service to you includes: - CAD Drawings and project management. Early technical involvement often improves design, aesthetics and cost.

BESPOKE PRODUCTS
Our ability to extensively customise our products ensures that we can meet any specialist requirements that you may have. Our products are expertly designed and manufactured using superior raw materials meaning we can offer the longest guarantees on the market.
