

Cyclo Bike™

The Cyclo Bike™ is a simple modular design that provides an economical and robust solution for all aspects of cycle storage. Available in a range of sizes and configurations, the Cyclo Bike™ utilises our best-selling Motiva design meaning that the material specification is much higher than standard cycle stores. A host of side panel and gate options complete the package.

- ✓ Curved roof design
- ✓ Unbreakable polycarbonate roofing
- ✓ Solid steel framework
- ✓ Choice of galvanised finish or Dura-coat™ finish
- ✓ Multiple side panel and gate options

Appearance

Steelwork is finished in galvanised only or Dura-coat™ colour finish to any RAL colour (the cycle rack will remain in galvanised finish

unless specified otherwise). The unbreakable polycarbonate roof is either opal as standard or clear by special request.

Services

A & S Landscape recommend early consultation to consider all aspects of the installation of our Cyclo Bike™. We provide free quotations, technical information and drawing files (at design stage) to allow effortless incorporation into Architects' drawings. Our service to you includes: - comprehensive site surveys, CAD Drawings and project management. Early technical involvement often improves design, aesthetics and cost.

BESPOKE PRODUCTS

Our ability to extensively customise our products ensures that we can meet any specialist requirements that you may have. Our flexible modular system often allows this to be done very economically whilst retaining all of our superior performance characteristics.
