

Cyclo City™

The Cyclo City™ is a robust and hardwearing alternative to the plethora of flimsy cycle stores available on the market. With a strong and sturdy steel frame and 35mm thick roof, this structure is built to last. Expertly designed, its modular nature means it is available in multiple configurations.

- ✓ Solid steel framework
- ✓ Choice of galvanised finish or Dura-coat™ finish
- ✓ Contemporary and sleek straight roof design
- ✓ Unbreakable polycarbonate roofing
- ✓ Multiple configurations available

DURA-COAT

SNOW-SAFE

POLY-TUFF

WIND-SAFE

Appearance

Steelwork on the Cyclo City™ is finished in galvanised only or Dura-coat™ colour finish to any RAL colour (the cycle rack will remain in galvanised finish unless specified otherwise).

The unbreakable polycarbonate roof is either opal as standard or clear by special request.

Services

A&S Landscape recommend early consultation to consider all aspects of the installation of our Cyclo City™. We provide free quotations, technical information and drawing files (at design stage) to allow effortless incorporation into Architects' drawings. Our service to you includes: - comprehensive site surveys, CAD Drawings, and project management. Early technical involvement often improves design, aesthetics, and cost.

BESPOKE PRODUCTS

Our ability to extensively customise our products ensures that we can meet any specialist requirements that you may have. Our flexible modular system often allows this to be done very economically whilst retaining all of our superior performance characteristics.
