

## Motiva Entrada™

The Motiva Entrada™ is the newest addition to our entrance canopy range. Its angled roofline and integral gutter are modern and sleek and will spruce up the outside of any building, no matter how tired. Expertly designed in association with Architects and Builders, this freestanding structure does not rely on the building steelwork, interfere with brickwork, or breach the thermal performance of the building envelope.

- ✓ Solid steel framework
- ✓ Framework finished in Dura-coat™ finish
- ✓ Contemporary straight roof design
- ✓ Polycarbonate or glass roofing
- ✓ Tailored to each building entrance
- ✓ Wide range of side panel options

### Appearance

Steelwork on the Motiva Entrada™ is finished in Dura-coat™ colour finish to any RAL colour. The aluminium gutters and downpipes are also finished to match.

Polycarbonate or glass roof covering is either clear or opal as standard or coloured at extra cost.

### Services

A&S Landscape recommend early consultation to consider all aspects of the installation of our Motiva Entrada™. We provide free quotations, technical information and drawing files (at design stage) to allow effortless incorporation into Architects' drawings. Our service to you includes: - comprehensive site surveys, CAD Drawings, and project management. Early technical involvement often improves design, aesthetics, and cost.

#### BESPOKE PRODUCTS

Our ability to extensively customise our products ensures that we can meet any specialist requirements that you may have. Our flexible modular system often allows this to be done very economically whilst retaining all of our superior performance characteristics.
