

## Motiva Entro™

The Motiva Entro™ is our longest standing entrance canopy. Its duopitch design is simple yet effective, whilst our range of colour options mean that you can add a splash of colour or chose a more formal look to enhance the outside of any building. Effortlessly versatile, the Motiva Entro™ can be freestanding, wall fixed or partially wall fixed, widths of 10,000mm are easily achieved and wider still with additional design features.

- ✓ Solid steel framework
- ✓ Framework finished in Dura-coat™ finish
- ✓ Modern duopitch polycarbonate roof design
- ✓ Tailored to each building entrance
- ✓ Wide range of side panel options

### Appearance

Steelwork on the Motiva Entro™ is finished in Dura-coat™ colour finish to any RAL colour. The aluminium gutters and downpipes are also finished to match.

Polycarbonate roof covering is either clear or opal as standard.

### Services

A&S Landscape recommend early consultation to consider all aspects of the installation of our Motiva Entro™. We provide free quotations, technical information and drawing files (at design stage) to allow effortless incorporation into Architects' drawings. Our service to you includes: - comprehensive site surveys, CAD Drawings, and project management. Early technical involvement often improves design, aesthetics, and cost.

#### BESPOKE PRODUCTS

Our ability to extensively customise our products ensures that we can meet any specialist requirements that you may have. Our flexible modular system often allows this to be done very economically whilst retaining all of our superior performance characteristics.
