

Motiva Arbor™ Timber Canopy

The Motiva Arbor™ is our glulam canopy range well suited for situations where the aesthetic of timber is preferred. With its natural aesthetic and imposing structural design, it is ideal for a variety of applications including featured covered walkways and outdoor learning or seating areas. Versatile glulam timber canopies bring both function and form to any setting making that extra impression.

- ✓ Timber framework
- ✓ Freestanding or wall fixed contemporary design
- ✓ Flexible size options
- ✓ Bespoke designs available

Appearance

The Motiva Arbor™ includes powder-coated aluminium gutters and downpipes that can be PPC to any RAL colour as needed. The premium polycarbonate roof is available in clear or opal as standard.

- Natural timber look or stained to your choice.
- Post pads can be any colour, often contrasting with the structure.

Services

A&S Landscape recommend early consultation to consider all aspects of the installation of our canopies. We provide free quotations, technical information and drawing files (at design stage) to allow effortless incorporation into Architects' drawings. Our service to you includes: - comprehensive site surveys, CAD Drawings, and project management. Early technical involvement often improves design, aesthetics, and cost.

BESPOKE PRODUCTS

Our ability to extensively customise our products ensures that we can meet any specialist requirements that you may have. Our flexible approach often allows this to be done very economically whilst retaining all of our superior performance characteristics.

Specification

TYPICAL APPLICATIONS

The Motiva Arbor™ is ideal for –
Freestanding applications | Covered walkways | Alfresco dining and recreational areas | Plazas | Schools | Colleges | Universities | Outdoor play
Outdoor learning | Hospitals

MATERIALS

Structure – Glulam Timber
